

July 1, 2010

Dear Friend,

Just as sailors steer to safe harbor when the seas rage with storms, families on the eastside need safety and support when circumstances in their lives create “storms” and instability.

If you could do something to help homeless moms and children on the eastside gain a safe home, stability and self-sufficiency, would you?

Here is an invitation to join us in doing exactly that! Founded as Kirkland Interfaith Transitions in Housing in 1989, KITH has assisted homeless individuals and families with children, providing housing, case management, and support services to help them gain self-sufficiency. Generous contributions of individuals, businesses, private foundations, and community organizations, fund our operations. We also raise funds through two major events, the Seven Hills of Kirkland “Cycling to End Homelessness” event on Memorial Day, and our Annual Dinner and Auction in October.

We need your help. Please support KITH’s Annual Dinner and Auction, “Steering to Safe Harbor” on October 2 at The Bellevue Hilton to help KITH helping the homeless:

- **Sponsor this event.**
- **Contribute Live and Silent Auction Items.**
- **Sponsor a Table, attend and bring your friends to enjoy this wonderful evening.**

For information please contact KITH Development Director, Christine Addison, christinea@kithcares.org or call 425-576-9531 x 104.

Will you please consider how you, your friends, and your company might join our efforts to help homeless families on the eastside become stable and self-sufficient? We look forward to your partnership as you decide what you can do to help KITH steer homeless families on the eastside to safe harbor – stability and self-sufficiency. Thank you!

Sincerely,

Jan Dickerman
Executive Director
